

**R**eading can be one of the many fun activities children fill their summer time with. Research has shown it is also much more! Children who participate in public library summer reading programs not only avoid the “summer slide” in learning, but also score higher on reading achievement tests than those who do not participate.

The books on this list come highly recommended by kid readers from all over the country and may also be available in ebook, audio book, braille, and large print formats. This summer, encourage your child to participate in the summer programs happening at your library.

Association for Library Service to Children

The Summer Reading Book List was created by the Quicklists Consulting Committee and the School Age Services and Programs Committee, Association for Library Service to Children, a division of the American Library Association through a Carnegie Whitney Grant funded by the American Library Association Publishing Committee.

# Summer Reading List

**Big Nate: In a Class by Himself**  
by Lincoln Peirce

HarperCollins, 2010, ISBN: 9780061944345.

Supremely confident middle-school student Nate Wright manages to make getting detention from every one of his teachers in the same day seem like an achievement. *First in a series.*

**The Birchbark House**  
by Louise Erdrich

Hyperion, 1999, ISBN: 9780786814541 (PB).

Omakayas, a young Ojibwa girl living near Lake Superior in the late 1800s, follows her family through the seasons, cares for her baby brother, and experiences the growing settlement of white people on her family's land. *First in a series.*

**Bud, Not Buddy**  
by Christopher Paul Curtis

Random House/Delacorte, 1999, ISBN: 9780385323062.

Ten-year-old Bud, a motherless boy living in Flint, Michigan, during the Great Depression, escapes a bad foster home and sets out in search of the man he believes to be his father—the renowned bandleader H. E. Calloway.

**Clementine**  
by Sara Pennypacker,  
illustrated by Marla Frazee

Hyperion, 2006, ISBN: 9780786838820.

While sorting through difficulties in her friendship with her neighbor Margaret, eight-year-old Clementine tries out several unusual hairstyles and helps her father shoe

pigeons from the front of their apartment building. *First in a series.*
